## How to use the WORDBOOK

The **WORDBOOK** contains new words from each lesson. Pages can be printed as well. Please use the **WORDBOOK** to practice these important words with the child. When you go over the words, try to pick them in a random order to discourage guessing.

When you are sure that he or she knows well all the words on a page, put a sticker on that page to celebrate the achievement.

Knowledge of these words will help the child to become a fluent and confident reader. Please use the **WORDBOOK** regularly.

Happy reading.
